

# Accessing Seesaw Class at Home

You can access Seesaw class from a computer, tablet or mobile device.

If you are using a computer, use the following link:  
<https://app.seesaw.me/#/login>

If you are using a tablet or mobile device, go to the App Store (Apple) or Play Store (Android) and download Seesaw: The Learning Journal

Please note: this is not the same app that you would have previously downloaded as a parent to see updates in your child's journal. The icon shows 'CLASS' and will prompt your child to log in as a student when opened.
